On October 3, 1991, John Wright, President of WJW, Inc. (the Complainant) filed a Petition with the Public Service Commission of South Carolina (the Commission) seeking to have a tract of land which was divided by the Orangeburg and Calhoun Counties boundary line, be allowed to receive telephone service from Southern Bell Telephone & Telegraph Company (Southern Bell). Presently, the area is served by Alltel South Carolina, Inc. Alternatively, Mr. Wright requested that the property owners be given the choice of which telephone utility should provide service to the property owners in the area in question.

The matter was duly noticed to the public and both Southern Bell and Alltel filed responses to the request. Thereafter, the Complainant, as well as the Respondents, were informed of certain dates in which prefiled testimony was to be received before the scheduled hearing. No testimony was filed by the Complainant. The scheduled hearing date was February 27, 1992. Since that time, the Commission Staff has attempted to contact Mr. Wright and no response has been received by the Staff from Mr. Wright.

The Commission was informed of the status of this complaint, and accordingly, the Commission finds that since the Complainant has failed to go forward with this matter, that this Complaint should be dismissed and the instant Docket closed.

IT IS SO ORDERED.
